## PROFESSIONAL SUMMARY

Administrative & Operations Specialist with 14+ years of experience at JGC Gulf International, specializing in corporate workflows, executive secretariat, and process optimization. Proven track record in managing substantial operational budgets, leading vendor negotiations, and optimizing costs. Adept at leveraging process improvement techniques and data automation tools (Excel, Power Query, Power BI) to streamline administrative procedures, reduce reporting time, and support management reporting and operational decisions.

## CORE COMPETENCIES

- Administrative & Operations Coordination
  - Project & Administrative Coordination
  - Budget Tracking & Reconciliation
  - Document & Records Management
  - Meeting Coordination & MOM
  - Advanced Excel | Power Query | Power BI
- Executive Support & Secretariat
  - Vendor & Telecom Management
  - Invoice & Expense Auditing
  - Process Improvement & Workflow Automation
  - Government & Employee Documentation

## PROFESSIONAL EXPERIENCE

Senior Administrative & Operations Specialist

Jan 2018 – Jan 2025

JGC Gulf International — Khobar, Saudi Arabia

- **Telecom & Cost Optimization:** Managed 1,500+ corporate telecom lines, supporting vendor negotiations (e.g., SAR 24/line with Mobily) and the transfer of 400+ lines, contributing to a reduction in telecom expenses from approximately SAR 150K to SAR 50K.
- **Financial & Budget Oversight:** Administered a SAR 200,000 monthly operational budget (SAR 2.4M annually) via the RFP system, executing precise cost reconciliations and invoice auditing to ensure strict financial compliance.
- **Process Improvement & Automation:** Automated administrative reports, Excel files, and recurring workflows using Advanced Excel and Power Query, resolving data and reporting issues, improving data accuracy, and reducing manual processing time. Developed practical solutions for recurring tasks such as telecom billing, expense tracking, and operational reporting.
- **Executive Secretariat:** Delivered acting secretarial support for senior leadership, handling official corporate correspondence, organizing executive meetings, and accurately issuing Minutes of Meetings (MOM) with strict confidentiality.
- **Data Visualization:** Built dynamic Power BI dashboards to transform raw operational and expense data into clear, accessible tracking metrics for departmental review.

Administrative Coordinator / Administrative Assistant

Apr 2010 – Jan 2018

JGC Gulf International — Khobar, Saudi Arabia

- **Administrative Coordination:** Managed employee records, government documentation, administrative templates, data auditing, and day-to-day departmental coordination in compliance with company standards.
- **Recruitment & Logistics:** Coordinated employee onboarding, administrative recruitment activities, company events, executive meetings, vendor visits, and cross-departmental logistics.
